ABOUT CCTCM

As a leader in Traditional Chinese Medicine education in North America, Canadian College of Traditional Chinese Medicine is committed to the highest standards of technical and professional training.

Our mission is to advance the Chinese Medicine profession through public education, continuing professional education and graduation of the finest Traditional Chinese Medicine Practitioners and Acupuncturists in the field.

EDUCATIONAL OBJECTIVES

Educate students in the clinical and scientific literacy of Traditional Chinese Medicine.

Provide opportunities for students at every level of training to pursue areas of special interest for intellectual stimulation and career advancement.

Encourage the development of highly competent TCM Practitioners and Acupuncturists.

OUR PROGRAMS

Diploma of Acupuncture:

Diploma of Acupuncture program consists of 6 semesters of full-time study, which is approximately 2 years continuously. Upon completion, your diploma will allow you to attend the PAN-Canadian Examinations. Becoming a registered Acupuncturist in Ontario requires successful completion of the PAN-Canadian Examinations.

Diploma of Traditional Chinese Medicine:

Diploma of Traditional Chinese Medicine program consists of 9 semesters of full-time study, which is approximately 3 years continuously. Upon completion, your diploma will allow you to attend the PAN-Canadian Examinations. Becoming a registered Traditional Chinese Medicine Practitioner in Ontario requires successful completion of the PAN-Canadian Examinations.

INTERNATIONAL STUDENTS

CCTCM are excited to announce the approval of International Student Program. Application Process Open now for everyone who is interested in becoming an acupuncturist or a TCM practitioner!

Admission Requirements

Scanned original copy along with notarized English translated copies of one of the following:

1. The National Senior High School Examination with a minimum grade of 65% or C in relevant subjects (School Leaving Certificate), OR
2. Graduation Certificate awarded by senior (upper) middle school; may be academic or vocationally oriented with a minimum of C or 65% in relevant subjects;

High school transcripts must show all courses completed and grades achieved for all years of study.

Non-refundable \$250 application fee; plus, additional \$100 for international students.

Two letters of recommendation attesting to your individual learning capacities, skills and attitude.

Demonstrated understanding of the responsibilities associated with being a health care professional.

Personal letter (200-300 words) detailing your abilities, purpose and motivation for studying at Canadian College of Traditional Chinese Medicine.

Language Requirement

IELTS Academic Level with scores at or above the following levels: Overall 6.0
AND No band below 5.5

Transfer of Credits

In some cases, students who have completed coursework in other post-secondary institutions may be eligible for transfer credit. Applicants must include a copy of the syllabus and evaluation scheme for any courses they hope to transfer. A grade of 60% or "C" is required for consideration of transfer credit to CCTCM. If the documents are in a language other than English, applicants must also include a notarized English translation. Please contact us for more information.

COOPERATIVE ACCOMMODATION

CCTCM offers two accommodation options for international students to ease the bottleneck of finding accommodation and help you find the ideal place. Please contact us to start arranging the accommodation you need!
